Anushka Yadav

Software Developer

I am a software developer fresher with a keen interest in web development and a strong foundation in programming principles. My journey in the world of coding began with a fascination for crafting digital experiences that seamlessly merge design with functionality with a solid grasp of Frontend Technologies.

Delhi Public School, Meerut

04/2016 - 04/2017   *CGPA-9.0*

WORK EXPERIENCE/ INTERNSHIP

Web Development Intern
codsoft

07/2023 - 08/2023

Achievements/Tasks

- During my internship at CodSoft, I had the invaluable opportunity to immerse myself in the world of web development and gain practical insights into creating dynamic and user-friendly websites
- Over the course of my internship, I was involved in several key projects that expanded my skill set and provided hands-on experience in various aspects of web development.
- In the projects, I have used HTML , CSS and JavaScript.

SKILLS

`C language` `HTML5` `CSS` `JavaScript` `React.js` `VS Code` `GitHub` `Frontend Development` `Git` `Responsive Website Design` `Problem Solving` `Web Development` `Bootstrap` `oops` `Communication` `Adaptability` `Time-Management` `Teamwork`

PERSONAL PROJECTS

To-Do List App (07/2023)
- Created a feature-rich and intuitive todo list application that enhances productivity and task management.
- HTML5, CSS, JavaScript.
- Live at- https://anushka23yadav.github.io/To-Do_app/

Personal Portfolio (08/2023)
- Developed a professional online portfolio showcasing a diverse range of Frontend projects, effectively demonstrating coding proficiency, problem-solving ability, and a passion for continuous learning.
- Used HTML5, CSS, JavaScript.
- Live at- https://anushka23yadav.github.io/Portfolio/

Weather App (08/2023)
- Designed and coded a dynamic weather forecasting application that provides real-time weather updates and forecasts for users.
- Used HTML5, CSS, JavaScript.
- Live at- https://anushka23yadav.github.io/Weather-App/

Snake Mania (09/2023)
- Snake Mania is a captivating gaming project I crafted using frontend technologies to deliver a seamless gaming experience right in your web browser.
- Used HTML5, CSS, JavaScript.
- Live at- https://anushka23yadav.github.io/Snake-Mania/
